Worksheets Worksheets

6th Grade Math Worksheet Name \_\_\_\_\_

6th grade review.

1. What is the square root of 64?  
Answer: \_\_\_\_\_
2. Autumn had \$1,546 in the bank, until she spent \$60 of it on Christmas gifts. How much money does she have now?  
Answer: \_\_\_\_\_
3.  $14 \times 12 \times 6 =$   
Answer: \_\_\_\_\_
4.  $0.5662 \div 0.2 =$   
Answer: \_\_\_\_\_
5. Solve for x.  
 $14x + 12x = 52$   
Answer: \_\_\_\_\_

www.worksheetworksheets.com

### Reading Comprehension

Read the four small texts about people and fill in the chart.

**My name is Jane.** I am twelve years old. I am from Italy. But I live in London with my family. I am a student. I have got two brothers. My favourite subject is Maths. I am at home at the moment. I like dancing and cooking.

**My name is Jack.** I am thirteen years old. I come from France. But I live in Liverpool with my family. I have got two sisters. I am a student. I love Science. In my spare time, I like painting and cycling.

**My name is Diego.** I am twenty-eight years old. I am Portuguese. I live in Manchester. I work in a hospital. I am a doctor. I am a single child in my family. I don't have much time. But I like climbing and horse riding.

**My name is Nick.** I am twenty-five years old. I come from Germany. But I live in Bolton. I am a mechanical engineer. I work hard in my spare time. I like playing golf and going to the gym.

People	Age	Nationality	Job	Likes
Jane	12 years old	Italian	Student	Dancing and cooking
Jack				
Diego				
Nick				

Tell me who

1. \_\_\_\_\_ is from Germany.
2. \_\_\_\_\_ loves science.
3. \_\_\_\_\_ likes painting and cycling.
4. \_\_\_\_\_ is 28 years old.
5. \_\_\_\_\_ has got two brothers.
6. \_\_\_\_\_ hasn't got any brothers or sisters.
7. \_\_\_\_\_ works hard.
8. \_\_\_\_\_ lives in London.
9. \_\_\_\_\_ is from Italy.
10. \_\_\_\_\_ doesn't have much time.
11. \_\_\_\_\_ likes maths.
12. \_\_\_\_\_ likes climbing.
13. \_\_\_\_\_ is a doctor.
14. \_\_\_\_\_ is 13 years old.

## 2nd Grade Math Worksheet

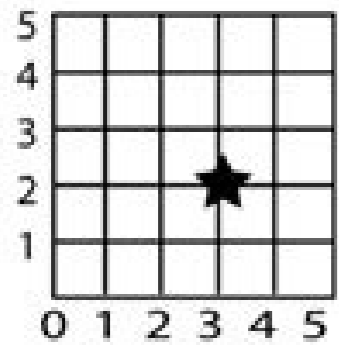

Name \_\_\_\_\_

### 2nd grade review.

1. Round 77 to the nearest ten.

Answer: \_\_\_\_\_

2. Where is the star?

Answer: \_\_\_\_\_

3. Which weighs more, 6000 grams or 5 kilograms?

Answer: \_\_\_\_\_

4. What fraction of the stars are white?

Answer: \_\_\_\_\_

Photo Courtesy: Pixabay/Tumisu One of the biggest advantages of learning English is the many ways in which it can advance your career. English is used widely internationally, and there's a ready demand for good English speakers in the job market. You can use your English skill to advance a business career, find work as a translator, or even just to travel the world and be able to communicate. Thanks to the internet, learning English has never been easier. Taking an English course online can be done from the comfort of your own home. Below, find out some of your best options for improving your English. These range from beginner-focused courses to advanced courses for native-level speakers. Rosetta Stone English (American) Course eAAA \$20-\$30/Month The American English course by Rosetta Stone is an online course that teaches you English from the ground up. What stands out about this course is its exhaustive and methodical approach to learning the language. The course teaches you the American version of English, which will make you right at home in the US and Canada. Over a 26-year history of language instruction, Rosetta Stone has gained a reputation for effectiveness. This particular course will work well for even complete beginners to the English language. It includes TrueAccent spoken word coaching to learn the American accent. Duolingo eAAA's English coursework is great for learning English as a second language. Best of all, Duolingo eAAA's courses are free. Unlike with Rosetta Stone, Duolingo uses a native language as the medium of instruction. This means that if your native language is not covered, you might miss out. However, Duolingo supports major medium languages such as Spanish, French, German, Italian, Chinese, and Japanese. Duolingo works well for complete beginners. It uses a game-like interface that rewards you with badges and keeps you motivated to keep improving. Alison eAAA's Intermediate Level English eAAA The English level courses will be based on the foundations to see it well versed in the language. Alison, a L&na learning company, offers more than 1,000 free courses backed by advertisements. The exercises and the audio of the native speakers of English will improve their understanding of the English spoken. Alison's modules are divided into pieces of the size of a bite. This makes it completely completed and gives you a rose-warehouse of achievement. Specialization of intermediate grammar of Coursera eAAA \$40-\$50/month The specialization of intermediate grammars is a sequence of four dishes that can be taken in Coursera. It is provided by the University of California, Irvine. The courses are taught by Royal UCI teachers, which makes the quality of the instrument outstanding. During this course, you will learn intermediate issues in English, including grammar that tend to be complicated for students. English University of Washington for Professional Networks: \$300-\$350 This course advanced by the University of Washington will help you establish contacts professionally. It is offered in line through the EDX learning platform. It covers the linguist skills you need to communicate effectively with professionals in fields such as human resources, marketing and sales. You will learn and practice conversation skills in English in the context of a professional environment. The course will teach it last ways of presenting, participating in a network conversation and tracking a variety of media. As part of this 16-week course, you will also learn to use social networks such as LinkedIn to continue professional discussions. If you are looking for work, or you simply want to communicate better professionally, this course is essential. Ringbom (1987) reasoned that the existence of cognates could be a reason why Swedishs are generally better in English than in Finnish; English and English and Swedish are related languages, which share many cognates, while English and Finnish are not related. The meaning of Cognate ". The use of Cognates to teach vocabulary can be useful for English language students (ELL), especially those students whose native language is Spanish, due to the large amount of overlap between the two languages. Authors Shira Lubliner and Judith A. Scott noted: "Researchers indicate that the English cognates explain one third of the vocabulary of educated adults (Nash, 1997) and 53.6 percent of English words are of Romanesque origin (Hammer, 1979). "" ("Food vocabulary: balancing words and learning." Corwin, 2008) can not only learn words from new language faster and infer meaning to solve words in context, but can also remember the vocabulary more easily when words are cognated. This type of language study can begin with students as soon as they are preschool. The problems that come with the learning vocabulary through cognados include pronunciation and false cognados. Two words can share similar spellings but be pronounced differently. For example, the word animal is written in the same way in English and Spanish, but it is pronounced with different tensions in each language. The false cognates are two words in different languages that seem to be cognated, but in reality they are not (e.g., the English ad and the French advert, meaning "advertence" or "precaution"). They're also called fakes. songla songla Āitrapmoc toorG ed .B .M ettennĀ arotua al )7002 )7002 ,regniirS la te ssiirP atU yB de ,setneglethi senoicaicĭpa arap olneimiconoc ed sarutceliurpa :selautepecnoc sarutcurtsE" ne "se¼Āgnĭlib sarbalap ed nĀicaicosa ed seder" dĭO nhej L y ssiirP atU " ,etrapmoc on giwT euq )oicogen nu ed amar anu( socirĀĀfatem sodacifingis neneit hcnarB omoc giewZ otatĀ ,amar' omoc rojem ecludart es giewZ ,sotxetnoc sorto ne orep ,sotxetnoc songla ne ralimis arenam ed nasu es giewZ y giwT ,olpmeje roP" .sorto ne on orep sotxetnoc songla ne odacifingis omsim le neneit euq sarbalap nos selaicrap sodangoc soĀ .)1102 ,sserP ygolohcysP ."nĀĀccudortni anu :se¼Āgnĭlithum y se¼Āgnĭlib ne nĀĀcingoc y ejaugneL"( ." )...
